

for Internal Multi-location Meetings in the Retail Sector

Retail establishments, especially those with multiple locations, face challenges in keeping them connected. A simple and effective video conferencing solution empowers management in different locations to collaborate via virtual meeting and simultaneously cut-out transit cost.

The Issue

The PeopleLink Solution

What are Your Needs:

The need to ensure that the content delivered to retail staff across locations is standardized.

PeopleLink Acumen: Standardize teaching delivery

- Central content repository.
- Control pedagogy.

The ability to connect retail staff from multiple locations for standardizing processes and procedures?

The need to have the software and hardware in place to enable digital communication across retail locations.

PeopleLink InstaVC: Connect, discuss, review

- Yearly reviews of staff performance.
- Recruitment interviews for new staff members.

Give management and staff the ability to share knowledge and information?

PeopleLink InstaVC: Collaborate virtually

- Plan sales strategies.
- Brand management.
- Growth and expansion plans.

Cut down on travel costs for staff and teachers?

PeopleLink Hardware: Collaboration Rooms
