

PeopleLink USB 3.0 AM-AF

PeopleLink's 4K UHD Active Optical Cables For Next-gen AV Applications

PeopleLink's AOC Cables offer data transfer speed up to 5 Gbps through an active optical link to stretch across greater distances and feature high-quality USB moulded connectors, supporting up to 100m Max Length. Our Active Optical Cables are the best choice for professional AV setups when ultra-high bandwidth video needs to go over long distances.

Benefits of PeopleLink Active Optical Cables:

- **Elimination of Delays or Signal Loss**

For 24/7 AV applications, active optical cables are perfect. They guarantee excellent performance and prompt signal transfer.

- **Simple Installation**

Plug-and-play cable that is simple to navigate through confined places and around corners, it easily conceals today's ultra-thin displays.

- **Consistent Performance**

Take advantage of a steady signal transmission while other options fall short. Reduce electromagnetic noise and EMI/RFI interference, which reduce signal quality.

Applications :

- **High Definition Video Conference System**
- **Industry Camera**
- **Machine Vision Camera Extension**
- **Industry Printing System**
- **High Definition Video Surveillance System**
- **Digital Signage and TV wall**
- **Remote Storage**

USB Cable Parameters

Connector Type	: Type A Male- Type A Female
Version	: Support all USB 3.0 devices (not compatible with USB2.0/1.1)
Data rate	: Support 5Gbps data rate
Operating System	: Support all major operating systems: Windows, Mac OS, and Linux
Power	: No external power supply
Usage	: For use with self-powered peripherals only
Installation	: Plug and Play
Distance	: Support distance up to 100m/328ft
Material	: Offer fiber-optic noise immunity

PeopleLink's Active Optical Cables are the best choice for professional AV setups when ultra-high bandwidth video needs to go over long distances:

- PeopleLink's Active Optical Cable eliminates the need to set up independent Receiver & Transmitter extenders.
- It uses a single integrated assembly of connector and cable that makes the AOC simple to install and maintain while also reducing the cost.
- It is conceptually curated and comes with a sleek, easy-to-implement design.
